

YOUR NAME!

GOAL:
\$100

TOTAL RAISED:

For my birthday this year I am asking for donations to Helping Paws. I hope you'll consider contributing as a way to celebrate with me. Every \$5 makes an impact, and this is truly the best gift I can imagine.

Thank you!

MORE ABOUT HELPING PAWS:

Helping Paws breeds, trains, and places service dogs with people who have physical disabilities and veterans with PTSD. Dogs live in a home environment (never a kennel) for more than two years with volunteers who work daily to build the dogs' skills. Weekly training classes focus on more than 70 cues the dogs learn to assist their lifelong service partners.

What does this mean for daily lives? It means veterans can sleep through the night or drive children to school with less distress. It means countless keys and phones retrieved, gloves removed, doors opened and lights turned on for those who cannot accomplish such tasks alone. It means changed lives.
