

For the past 35 years, Helping Paws Service Dogs have been a staple in Minnesota, providing independence and companionship to individuals with physical disabilities, veterans and first responders with PTSD. Our Tail Waggin' Dinner, the annual fundraiser supporting Helping Paws service dogs is around the corner. On Saturday October 21st, 2023, we invite you, along with our graduates and foster home trainers, to come together to support Helping Paws service dogs and the gifts of dignity, independence, peace of mind and companionship that they give to their partners. We'll be celebrating our 35th Anniversary!

Can we count on you to donate an auction item this year?

In 2022, generous donations from individuals and businesses helped us raise over \$150,000. This year our mission is to surpass last year's goal so we can train and place even more dogs. Training a Helping Paws service dog is a labor of love, taking about 2 ½ years to complete. Even with volunteer foster home trainers, the cost-per-dog is \$30,000. But the end result is priceless - a companion who opens doors and hearts.

We would be grateful for your investment in our 2023 Tail Waggin' Dinner auction. If you are interested in making a donation, please complete the enclosed form and follow mailing instructions. For more information, please contact Luis Ventura at 952.988.9359 x 110. As a contributor, you will receive acknowledgement in the event materials and our annual report, as well as a receipt for your generosity. Thank you very much!

Sincerely,

Luis Ventura
